

BOMBALA

COLLECTION

Robust yet refined, BOMBALA out captures the laid-back splendour of the Australian outdoors. A hero collection in the Didier range and a feat of engineering.

BOMBALA is all things outdoor - with every piece fabricated with high quality stainless steel and finished in resilient powder coating, making it one of the most durable outdoor collections on the Australian market.

BOMBALA explores the untamed heart of the wild, where stripes are more than markings - they are declarations. Worn by predators and prey alike, stripes demand attention, command presence, and blur boundaries between concealment and spotlight.

This is the paradox of the BOMBALA collection. With a multitude of powder coating colours on offer and upholstered seating pads, BOMBALA can blend in or stand out. Camouflage or rebel.

The variations are endless, and the effect is always striking.

Suitable for both outdoor and indoor use, the BOMBALA seating range consists of the chair, low stool, armchair, high bar stool and lounge. Offered in black or white as standard, and custom finished to multiple colours by request.

ENVIRONMENTAL STATEMENT:

At Didier, we believe good design should enhance life without costing the earth. Our work is rooted in responsibility - sourcing sustainable materials, minimising waste in production and collaborating closely with skilled makers, prioritising ethical supply chains. We design for longevity, creating enduring pieces that stand the test of time. To us, sustainability is not a trend, but a guiding principle, that is woven into every stage of our artistic process and every original idea we bring to life.
