## Perron Pillo Sofa™

Willo Perron is a multidisciplinary designer who brings an unconventional twist to everything he creates, whether it's a set design, retail rebranding, or residential interior. The same is true for his approach to furniture. His modular Pillo Sofa is both intriguing and inviting. "I wanted to create this really simple, big gesture," says Perron, "like a bunch of pillows stacked on top of each other."

**Designer**

Willo Perron

**Benefits**

- An evocative sofa that's engineered to offer lounge-like support for sitting, curling up, and stretching out
- Designed to adapt, the individual modular components can be combined in countless ways and reconfigured as needs and locations change
- Select from two depths to match the size and function of your space— Standard is smaller and more upright, while Deep offers a more lounge-like sit

**Warranty**

5 Years
