Description	The Echo Pouf has a simple, friendly expression that brings comfort and function to any space alongside its light and almost hovering expression through its small legs underneath. The name of the Echo Pouf refers to how the design can be used in symmetric formations or clusters with various sizes and upholsteries, creating visual echoes throughout the space.
Material	The Echo Pouf frame is made from FSC™-certified (FSC-C028824) wood, high-Resilience foam, and textile or imitation leather upholstery. Please note: The North American stock variants are not FSC™-certified.
Cleaning & Care	For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean, warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another. Imitation Leather: Clean with lukewarm PH-neutral, soapy water and a soft cloth or soft brush. Do not use solvents or chemical cleaners, but cleaning can be done with alcohol-based cleaners. Finally, wipe with a damp cloth afterward.
